PARK IN THE FEE LANE PARKING GARAGE

Parking is free.

Enter the parking garage and take a ticket as directed. We will give you a free parking pass to give to the attendant as you leave the garage.

As you enter the garage, keep straight, staying on the first floor, then turn left toward the elevator EXIT with the blue emergency light. On the right-hand side, next to the windows there are parking spaces marked “RESERVED – Psychology Research Participants Only”. Please park in one of these spaces.

A research assistant will be waiting for you in this area with a parking placard to be placed on the dashboard inside your vehicle. Our lab is in **Room A140** in the Psychological & Brain Sciences Building, a short walk on the diagonal sidewalk through our courtyard to the psychology entry.
